## BACKGROUND

**Navy SEALs** are named after the environments in which they operate – the SEa, Air and Land. They are the foundation of Naval Special Warfare combat forces and stand ready, worldwide, to conduct the most difficult and dangerous Special Operations missions. Today's SEALs trace their history from the elite Frogmen, Scouts and Raiders of World War II. Training is extremely demanding, both mentally and physically, and produces the world's best Special Operations warriors.

**Navy SEAL Warrior Fund** supports the families of US Navy SEALs who have died or been injured while serving our country, or who are presently serving in harm's way in trouble spots around the world. Resources are mobilized to improve the immediate and growing education, health and wellness needs of the spouses and children of deceased and active duty SEALs.

**Navy SEAL Patriot Award** was established by Navy SEAL Warrior Fund and is presented annually to an individual who has contributed greatly to our country and/or who upholds the values that epitomize the SEAL community.
